Published Thursday Afternoon By

SUBSCRIPTION, \$1.00 PER YEAR

The Record is entered at the post office at Alma, Michigan, for transmission through the mail as second class matter.

## ADVERTISERS AND CORRESPONDENTS

Next week Thursday being Thanksgiving Day, The Alma Record would greatly appreciate it if the advertisers and correspondents would have their copy in early. Efforts will be made to get The Alma Record out a little earlier, so that the men on the force will be able to enjoy a part of the day. Your kindness and consideration will be greatly appreciated by both the management and the office force.

Patrons of the Record will do well to look over the advertisements and take advantage in doing their purchasing for winter and the holidays. Every advertiser invites your patronage and asks you to call and look over their line. The business man who invites you by his advertisement is alive and lets the public know what he has. A newspaper is the reflection of the town it represents. If an outsider is looking for a location for a business, his first move is to look over the local paper, and if the line in which he anticipates putting in is well advertised he hesitates, but if he finds a dead one, one who is asleep in his shell, he at once figures that there is room for a live one and locates. The business man that goes after the trade gets it and there is only one way to do that, and that is to keep the line and let people know it and what you have.

The Record has hundreds of subscribers who take the paper as much for the advertising that appears as for the news and the merchant who is awake get them. Advertising is the keynote to the success of all mail order houses and any merchant in Alma can meet their price and are today selling a better article for the money, but many business men neglect to inform the public that they are after the business or want it.

## BOYS ARE GOING

Many From Gratiot County Will Attend Conference.

Sixty-two boys from Gratiot county are now enrolled for the State Boys' conference, and these enrollments have been sent in by the county Y. M. C. A. secretary, and indications are that a much larger number will enroll and attend the conference at Lansing.

Fifty-four of these boys are from sixteen to twenty years of age and the other eight are men. A few more men are yet to be enrolled, who will attend the meetings.

The delegation from Gratiot county will have a special coach on the Ann Arbor leaving at 7:30 a. m. December 1st, and will return on the train reaching Alma at 1:00 p. m. December 4th. The delegates are well distributed over the entire county, many of them representing country churches and Sunday schools. Forty-nine organizations are represented, including Sunday school classes, churches, Y. M. C. A. groups, high schools, debating clubs, etc.

The Michigan State Boys' conference is second to none in the country and this year's program is exceptionally strong.

The following are some of the speakers:

Chas. D. Hurrey of New York City, International Y. M. C. A. secretary.

Bishop Theodore S. Henderson of Detroit.

Branch Rickey, vice president of the St. Louis-American baseball team.

A. A. Stockdale, pastor of the First Congregational church of Toledo.

T. S. Goodrich, secretary of the Michigan S. S. association.

T. C. Baell, state Y. M. C. A. secretary.

J. M. Artman, dean of boys' work at Chicago Y. M. C. A. college.

T. A. Crosby, Metropolitan Boy-Work secretary, Chicago.

Dennie Upton and Jesse B. Davis of Grand Rapids and other leaders in boys work over the country.

The Lansing Y. M. C. A. have promised entertainment for 2000 delegates and prospects are that the number will be reached.

Every delegate is supposed to carry a note book and take full notes on the addresses and speeches. The plan is to have the various delegations give reports of the conference, that the boys who do not go may also receive some benefit from it.

Those who are working hard and spending much time and effort to make this conference a success, expect every delegate to take advantage of his opportunity to hear and see these men and reap all the benefit possible from every session. Let us Gratiot county representatives see that none of our delegates disappoint them but let us live up to what is expected of us.

## GIRL'S STATEMENT WILL HELP ALMA

Here is the girl's own story: "For years I had dyspepsia, sour stomach and constipation. I drank hot water and olive oil by the gallon. Nothing helped me until I tried buckhorn bark, glycerine, etc., as mixed in Adler-ka. ONE SPOONFUL helped me INSTANTLY." Because Adler-ka flushes the ENTIRE alimentary tract it relieves ANY CASE of constipation, sour stomach or gas and prevents appendicitis. It has QUICK-EST action of anything we ever sold. ## GREAT GAME—ALMA-KAZOO

(Continued from page one.) yards, Worthing made six and a half. Worthing was stopped in his tracks, but Strome made it first down on the 21-yard line. Strome added two and a half and then five more. McGregor made it first down on the Alma ten-yard line. McGregor made two and Worthing added a half yard. McGregor made three and Strome plunged through the line and put the ball over. McGregor kicked goal. Alma kicked to Kazoo, and McGregor returned the ball five yards to the Kazoo 35-yard line. McGregor made six and time was up for the half.

Alma kicked to Casteel to start the second half and he returned the ball 22 yards to the Kazoo 33-yard line. A pass, Casteel to J. Thompson, gave Kazoo 15 yards. J. Thompson lost a foot. Strome made a yard. Taylor, the big Kazoo tackle failed to gain. Kazoo punted over the Alma goal and it was Alma's ball on her own 20-yard line. The line failed to hold on the first play and Hoolihan was nailed behind his line and lost seven yards. Hoolihan gained eight yards in two downs. Hoolihan punted, but it was partly blocked and shot off to the side of the field, Kalamazoo getting the ball on the Alma 19-yard line. Strome made three and McGregor four and then McGregor made it first down on the Alma nine yard line. Worthing smashed the line for four yards. McGregor made three and then added a yard. On the third attempt he carried the oval over and then kicked goal. On the next to the last play, Fausch of Kazoo, kicked Barabeau, but the officials failed to see the kick or the resultant fight that started—had a penalty been inflicted Kalamazoo could not have scored as the rules call for half the distance to the goal and disqualification of the offending player.

Spooner, who had been in the game, started in again at this stage to take Barabeau's place, Helmer pulling him after the squabble. The officials ruling that Spooner was in illegal, made Alma kickoff from her own 25-yard line, this being a penalty of 25 yards for Alma. Alma kicked to Strome, who returned the ball four yards to the 30-yard mark. On a fake line smash the Alma defense was drawn over and McGregor shot around end and continued to the goal 50 yards away. He kicked goal.

Alma kicked off to McGregor, who returned five yards to the 25-yard line. McGregor made 10 around end. Taylor passed to Casteel for 21-yards. Taylor passed to McGregor for 12 yards. Casteel lost two and a half yards. Kalamazoo fumbled, Hoolihan getting it for Alma on the 37-yard line. Hoolihan made eight yards and Ed. Foote added a yard. Hoolihan made it first down. Fitch added two yards. Fitch failed to gain. Hoolihan failed to gain and Alma punted to McGregor on the 50-yard mark. McGregor lost six yards. Quarter.

McAuley intercepted a Kalamazoo pass and it was Alma's ball near midfield. Hoolihan lost seven yards. Smith passed to Fitch for 12 yards. Hoolihan added a yard. Alma punted to Kalamazoo, but Casteel fumbled and Smith recovered the ball on Kalamazoo's 29-yard line. Foote made four on the next play. Alma tried two passes but both failed by inches and it was Kalamazoo's ball. McGregor passed to Thompson for 22 yards. Pearce failed to gain. Fitch intercepted a Kalamazoo pass on the Kazoo 48-yard line. Hoolihan lost one and a half yards. Foote failed to gain and an attempted pass failed. Hoolihan punted to McGregor, who made a 25-yard return. Taylor added 12 yards. McGregor was stopped in his tracks. McGregor made two and Strome added three yards. A pass failed and Alma took the ball on her own 29-yard line. Fitch gained a yard and Smith added half a yard.

## PIONEER CITIZEN PASSED AWAY

(Continued from page one.) In 1892 he was elected a member of the state legislature to represent Gratiot county and he backed strongly one of the most important pieces of legislation put through during the session. This bill was the act providing for the raising of the test for illuminating oils from 98 to 120 degrees, where it since has remained. It is probable that except for his work in behalf of the bill that it would have been defeated.

Mr. Moody was ill at the recent election day, but he insisted on voting. The election commissioner took the ballot box to his bedside, where the staunch Republican cast his last vote.

Thus, one who so successfully lived this life, has passed on to be re-united with his wife, Ellen M. Moody, who preceded him in death on June 4, 1913. In age he was 77 years, five months and eighteen days. So we may say:

"Servant of God, well done,  
Thy glorious warfare passed,  
The battle's fought, the victory's won,  
And thou art crowned at last."  
The funeral was held on Tuesday afternoon at 1:00 o'clock at Forest Hill.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the Mucous Surfaces of the System.
